

CarbWorks Packing Slip for the Suzuki VL1500 Intruder 1998-2004

Thank you for your interest in our **CarbWorks Services** by **GMan Industries, Ltd.**

We will make every effort to make your carb experience a good one!

Directions for removal and reinstallation of your carbs are on our website at:

<http://gmanindustries.com/images/PerformanceProducts/CarbRejettingProcedure.pdf>

After removing your carbs turn them upside down to drain out excess fuel. Place carbs in a zip-lock bag. Wrap the sealed carbs with bubble wrap or wadded newspaper protecting them leaving no room for movement during shipment. **BE CAREFUL NOT TO BEND THE IDLE SPEED ADJUSTER!**

Include a copy of this Packing Slip with your carbs to ensure tuning accuracy:
